SECTION C. REBATE APPLICATION CHECKLIST

This program offers a \$25* rebate for the purchase and installation of a WaterSense showerhead. Use this checklist to complete the steps to receive your rebates:

- 1.** Read the following terms and conditions to determine if you are eligible for a rebate:
 - Only one service address per application.
 - Showerheads must be WaterSense certified to qualify for a rebate.
 - The Utility reserves the right to apply rebates to past due accounts. Rebates \$75 and under will be applied to your account.
 - Applicant must be a water customer of Owatonna Public Utilities.
 - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-serve basis. All applications from this year's purchases (2017) must be received by March 31, 2018.
 - Rebates can only be offered on equipment that is installed while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for items installed between the discontinued date and the end of that year.
- 2.** Purchase WaterSense certified showerheads.
- 3.** Complete this application, making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
- 4.** Include your original sales receipt and portion of the packaging showing the WaterSense logo, manufacturer name, and model number, and date of purchase.
- 5.** Sign the application (required to receive rebate).
- 6.** Mail completed form and required documentation to:
