CONSERVE & \$AVE[®]

NATURAL GAS EFFICIENCY REBATES FOR 2011

TEAMING UP TO SAVE YOU MONEY

ENERGY EFFICIENT APPLIANCES & EQUIPMENT

Energy efficient appliances and equipment are designed to use up to 70% less energy than regular models, so you save money every month on your utility bills. Saving energy also helps our environment by using less of our valuable natural resources.

CONSERVE & SAVE[®] REBATE PROGRAM

Austin Utilities and Owatonna Public Utilities are offering dozens of rebates, through our **CONSERVE & SAVE[®]** Rebate Program, to customers who purchase and install natural gas efficient products. **Here's how CONSERVE & SAVE[®] works:**

- 1) Purchase appliances and equipment (see list at right) with the ENERGY STAR[®] label or that meet our Minimum Efficiency Requirements. *(see applications for complete terms and conditions)*
- 2) Get a rebate application from your dealer, contractor, utility, or download them from:
 - www.austinutilities.com
 - www.owatonnautilities.com
- 3) Fill out the application completely, attach your sales receipt and any other required documentation, and send it to your utility.
