

ULTRAPROBE® 3000 LEAK DETECTOR RESERVATION FORM

To reserve the Ultraprobe® 3000 leak detector, fill out the following information, and return this form to your utility as listed below. An account representative will contact you. **Keep a copy of this form to make your follow-up survey request, as well as for future reservations; we recommend annual inspections.**

Commercial customers with at least 10 hp of air compressors that operate at least 2,000 hours per year may borrow the leak detector **FREE** for one week to locate air leaks (**INITIAL SURVEY**), and then again to verify repairs (**FOLLOW-UP SURVEY**).

I am a customer of: Austin Utilities Owatonna Public Utilities Rochester Public Utilities
