Services must be residential only services 1" or less to qualify for the Program. Water services serving both commercial and residential water customers off the same line are not eligible. Services larger than 1" will not be included in the program. Charges will be applied to an annual billing if water services are not already paid by Landlord. The cost of service shall be \$.99/month/service and may be adjusted annually. By signing below, you agree to the terms and conditions of the Water Service Line Protection Program.
